

PEARL SKIN CLEANSER

Food Industry Approved Hand Cleaner.

GP-207

Pearl Skin Cleanser GP-207 is formulated to produce a firm, copious lather whilst at the same time providing a gentle yet thorough cleaning action of the hands.

BENEFITS:

1. Thorough yet rapid cleansing action leaves hands clean and comfortable.
2. Contains emollients, which help keep the skin soft and moist.
3. Quickly produces a copious lather and goes on lathering whilst detaching oils and soils.
4. Not irritating to normal skin types.
5. Rinses freely and thoroughly.
6. Neutral in pH making it safe on the most sensitive skin.
7. Does not contain any colour or perfume making it acceptable for use throughout the food industry.
8. AQIS approved.

Directions for Use

GP-207 Pearl Skin Cleaner is a concentrated cleanser, used as supplied.

Precautions

Inadequate hand drying during cold weather may produce skin dryness in extreme conditions. Thorough rinsing and careful drying is of paramount importance if skin dryness is to be avoided.

Before you walk out the door -
STOP!

**WASH YOUR HANDS
THOROUGHLY!**

Our Hygiene. Our Health.
Our Responsibility.
