

# ECO-SOFT

**Fabric Softener and Conditioner.**

**LD-102**

**Eco Soft LD-102** Concentrated fabric softener and conditioner leaving linen and uniforms feeling soft and fragrant. Minimises wrinkling and static electricity.

**BENEFITS:**

1. Low viscosity liquid, designed for controlled use in all in all automatic dispensing systems. Eliminating the need for messy powdered products.
2. Accurate dispensing of the liquid minimises the waste experienced in using powdered products.
3. Waste minimisation means lower in use laundry costs.
4. Liquid dispensing eliminates the need for operator contact with chemicals reducing the risk of injury and improving occupational health and safety.
5. Eco-Soft LD-102 contains optical brighteners for improved whiteness and brighter colours.
6. Eco-Soft LD-102 safe on all natural and synthetic fibres.
7. Eco-Soft LD-102 when added to the final rinse stage improves washing results by promoting longer linen life and eliminating yellowing of cloth.
8. Biodegradable does not contain phosphorous.

**Directions for Use**

Eco-Soft LD-102 is added to the final rinse of the wash cycle at the rate 50-60gms/50kgs of cloth.
