

ECO-BLEACH

Peroxide based laundry bleach

LD-105

Eco-Bleach LD-105 is a colourless liquid designed to achieve superior bleaching on both white and coloured fabrics. When used properly it will improve whiteness, brighten coloured fabrics and eliminate yellowing of resin treated fabrics.

BENEFITS:

- High available oxygen content.
-
- Contains no chlorine.
-
- Safe for most fabrics and colours.
-
- Extends garment life.
-
- Readily soluble in water.
-
- Safe, effective stain removal.
-
- Reduces tensile strength loss and eliminate yellowing
-
- Improves stain removal and retains colour.
-
- Improved return on investment.
-
- Hastens bleaching action and rinses freely.
